

Centre for Nanoscience and Nanotechnology
Panjab University
Chandigarh-160014, India

ADMISSION NOTICE 2025-26

Direct Admission: First Cum First Serve Basis

3rd Advertisement to fill vacant seats

Last date of Offline Application: 4 September 2025

For Application Form Visit: <https://cnsnt.puchd.ac.in/>

M.Sc.-Renewable Energy and Smart Materials

Eligibility

B. Sc. (03 years) in Physics or Chemistry or Applied Sciences (mathematics as subsidiary subject is mandatory for applied sciences) with minimum of 55 % marks in aggregate.

Course Highlights

- Renewable Energy & Policy
- Biomass Conversion
- Smart Materials for Energy Applications
- Research Internship
- Hydrogen Energy
- Fabrication & Characterization Tools

M.Tech.-Nanoscience & Nanotechnology

Eligibility

- B. Tech. or B. E. or M. Sc. or M. S. in Chemistry / Physics / Materials Science / Nanoscience / Biophysics / Biochemistry-Microbiology / Other relevant branch with minimum of 50 % marks

Course Highlights

- Fundamentals of Nanoscience
- Computation & Simulations
- Nanomaterials based Devices
- Thin Films and Nanocoatings
- Characterization Techniques
- Industrial Trends & Applications

***Reservation as per Panjab University rules and regulations**
