

VIII. FACULTY OF MEDICAL SCIENCES

DR. HARVANSI SINGH JUDGE INSTITUTE OF DENTAL SCIENCES AND INSTITUTE

ABOUT THE INSTITUTE

In view of an imminent need for providing a public funded quality oral health care set up to impart dental education and open avenues for research in the field of Oral Health, a Dental Sciences Institute & Hospital was essential. Hence, under the aegis of Panjab University, Dr. Harvansh Singh Judge Institute of Dental Sciences & Hospital was established in April, 2006. The Institute is duly approved by Dental Council of India/Ministry of Health & Family Welfare, Govt. of India. The Institute aims at providing excellent oral health care facilities to the general public in addition to undergraduate and postgraduate training to students. It has the ability to generate ample research avenues in dental/medical sciences which can have a far reaching impact on not only oral but general health with special thrust on community healthcare and outreach programmes especially for the children and the underserved population. The Institute was rated as "Top Dental College" in the region in a survey by "The Tribune". Institute was also ranked 5th in the country with regard to National Assessment and Accreditation Council as per list released by Dental Council of India. In 2020, the institute ranked 23rd in the country in a survey conducted by India Today.

This Institute encompasses a total of 18 departments (9 dental and 9 medical) with 8 clinical and 11 pre-clinical and para-clinical laboratories. The Institute is attending to 350-400 patients on daily basis in various specialty clinics. A fully equipped diagnostic lab is functional at the Institute which is carrying out bio-chemical, histopathological and micro-biological investigations. The academic courses being offered in this Institute are Bachelors of Dental Surgery and Masters in Dental Surgery. BDS is a four year course followed by one year compulsory paid rotatory internship with intake of 100 students. MDS is a three years course presently admitting 17 students in six specialties, students enrolled for MDS course are also offered stipend on monthly basis for three years. Our faculty members have been keenly involved in conducting research in various clinical and basic sciences. The major focus area of this Institution is to provide good and affordable dental treatment in various specialties to the general public, carry out clinical research including surveys, diagnostics & randomized controlled clinical trials, conduct outreach programs to enhance oral health awareness to the underserved population for the benefit of the masses and to provide clinical and didactic training as part of undergraduate teaching curriculum. The general ailments in patients from adjoining areas are also being attended to by faculty in the medical and surgical OPD. Dental Institute also conducts camps in various schools of Chandigarh and adjoining rural roads.

Institute has a well-equipped library having approximately 3700 books of all medical & dental specialties. Institute also caters to research needs of faculty and students having latest journals in all fields.

The Institute faculty is involved in various clinical & basic sciences research projects. The Institute is working in collaboration with many prestigious Institute like PGIMER Chandigarh, GMCH-32, Chandigarh CSIR-CSIO, IMTECH. The Dental Institute has been granted research funding by Govt. agencies like DST, UGC, SERB, ICMR, IUSSTF to carry out research. The Institute participated in cutting edge technology research by being a spoke to Design Innovation Centre (DIC) a project by UGC. The publication profile of the faculty of the Institute is amongst the best in the country amongst dental faculty with publications in high impact factor National and International journals.

A well-equipped centre has been setup at Palsora in collaboration with Govt. Medical College & Hospital, Sector 32, Chandigarh. Faculty and Interns are posted to cater the needs of the people of the area. Patients who need further investigation or treatment are referred to the Dental Institute where they are directly treated for their ailments.

During the Covid-19 Pandemic vaccination drive was also carried out at the Institute. Covishield, vaccine was administered. Interns & Paramedics were trained under the guidance of GMSS Hospital, Sector 16, Chandigarh. Walk in as well as online registration on the Cowin app was being followed for enrollment of the public.

The Institute strives to provide selfless service to mankind to alleviate the oral sufferings of the masses, contribute to the society by generating dental workforce for the future and working on key research areas with focus on futuristic treatment modalities.
